Class Visits to Mythstories

Bring your class to Mythstories for a 2-hour **Class Visit**. The museum is a hands-on learning space which your pupils will be free to explore. They will hear stories and participate in group activities.

"The children have not stopped talking about their visit and it was especially rewarding for us to see their immediate engagement and response to the auditory, visual and kinaesthetic delight that is the Mythstories Museum".

Visits must be pre-booked.

They are available every Monday and Thursday, when your class will have sole use of the museum.

Price: £125.00

Or make a day of it with an add-on **Making Workshop** and leave with storytelling artefacts for your own classroom.

Package Price: £275.00, inc. materials

Outreach

Stories help pupils see places in different ways and having the countryside as a backdrop brings stories to life. We offer storywalks in some of our favourite Shropshire places, or we can work in your own school grounds or nearby.

"I thought lots of stuff, I mean I could see the story happening. I felt a bit scared, with the mud being slippy, and excited." - Jade, KS2

Price: £300 + travel per day
£180 + travel per half-day

Training for School Staff

We can support your staff to set up a school storytelling club, help you to effectively incorporate storytelling in the classroom, or design a day in the museum for all your staff.

"It's been one of the most enjoyable courses I have been on. Your enthusiasm and passion for storytelling is captivating and such an encouragement."

"I can't wait to apply and practise my new skills in the forth-coming academic year."

Guide Price: £500 per day + travel.

Projects

We can help plan and deliver a longer term project that addresses key issues and is also lots of creative fun.

"You brought a lot of experience to our planning sessions and were able to offer ideas and respond positively to the school's and library staff's ideas."

Price: £variable according to duration and content

Schools Membership Scheme

£175 per school year. Members receive one free class visit to the museum and 20% off all subsequent visits, outreach or training in that year.
